

Paupack Plumbing & Heating announces appointment (November, 2008)

Steve Delmonico, a 25-year HVAC industry veteran, assumes the new role of operations manager for Paupack Plumbing and Heating, a local company providing HVAC service, repair and installation to Wayne and Pike counties.

"With Steve on our team, Paupack Plumbing & Heating is better positioned to offer our clients the full home comfort support, and energy savings tips that residents are looking for". "Steve also brings extraordinary experience that will prove invaluable to contractors who are facing great opportunities and challenges in this ever changing energy market".

Previously, Steve was employed locally by Roche Supply in Honesdale.

Steve will be available to all of our customers for consultations. Please either email info@paupackfuel.com or call one of our team of customer service representatives at 570-226-4823 to set a time that is convenient for an evaluation.

Paupack Plumbing & Heating hires Smith (August, 2008)

Rick Smith, a 20-year plumbing and heating industry veteran, has been hired as a plumbing technician by Paupack Plumbing and Heating, a local company providing plumbing and HVAC service, repair and installation to Wayne and Pike counties.

"Rick brings a strong background of plumbing, heating and personnel skills to add to our experienced team of co-workers."
